

# **AFSFF Schlusssel Family Scholarship Fund**

## **Air Force Security Forces Association**

The Schlusssel family established a Scholarship Fund to honor the unsung members in the Air Force Security Forces. The Schlusssel family has three generations who served in various positions from the Army Air Corps to the United States Air Force. Every one of these officers felt the enlisted troops they served with were unrecognized in the overall responsibility they held. Security Forces is the single largest enlisted career-field in the Air Force and also have the most interaction with all people (military and civilian) associated with our facilities. Education is an important element for all professionals and the Schlusssel family wants to enable these unrecognized Security Force members to improve themselves and thus the Air Force.

This scholarship fund is open to ***all enlisted, active duty, Security Forces members in the rank of E-6 and below. Their spouses*** are also eligible to compete for the two (2) Schlusssel Family Scholarship Fund \$500.00 grants awarded annually. Those pursuing education in accredited community, junior and four-year university programs are eligible for these grants.
